Craig – Just to be clear, with respect to the draft letter to the day care centers that you provided to us on May 8th, we will provide you with comments after you have addressed the issues in Carolyn's May 16 email below.

Please let me know when we can expect your responses to Carolyn's email. Thanks.

(fyi--Carolyn has been out of the office unexpectedly. So, I just wanted to make sure that you understood that we do plan to comment on your May 8 draft letter.)

For each suite, the sample results should be provided along with the letter and include an appropriate evaluation of the data. We are still in disagreement with the conclusion that no vapor intrusion is occurring. We should resolve this prior to providing that information to the suite managers/parents.

I also have comments on the progress report and until they are addressed, it would not be appropriate to share the data. Draft comments attached.

Hi Carolyn – Now that the April 2018 Progress Report is complete, we would like to finalize the letter to the clients in whose premises the indoor air testing occurred. You had requested an opportunity to review this letter, and we provided a draft on May 8 during our meeting. Could you please confirm ASAP whether you have any comments.

Thank you.

Craig
